I am forever grateful for dance and all that it has given me and I will miss it more than anything. To the entire 109 family, thank you for welcoming me and providing the most loving and supportive environment the last four years. I have enjoyed every second we've spent together and will never take it for granted. I love you all so much I really wish I didn't have to go please don't make me graduate - I miss you already!!" - Molly
