

Thank you for expressing interest in our assisting program!

This program is designed for dancers age 12+ who have more than 4 years of dance experience. We are looking for driven, communicative, and leadership oriented students who are interested in helping some of our teachers!

Assistant duties look like; helping keep shoes and water bottles organized in class, guiding students into proper formations at the teachers direction, stopping or playing music as needed for the teacher, helping to create a positive and encouraging environment for all dancers at Studio 109.

We view our assisting program as an opportunity for dancers to gain real life experience, mentorship opportunity, and community service hours. This program is designed to help benefit each assistant, teacher, and all students in our classes.

By filling out the below form, you acknowledge that placements for assistants are on an as needed basis. It is by teacher need, classroom size, and assistant availability on if and where applicants get placed.

Each year we unfortunately have to turn away student assistants, not because we aren't grateful, but because there is not enough need some years. We encourage each applicant to apply every year as our seasons change and class sizes/needs change every dance season!

We ask that you fill out the below form and turn it in either in person or via email by September 1st. Our 2025-2026 dance season starts September 8th, all assistant applications will be reviewed and placements will be made no later than September 3rd.

Please email director@studio109dance.com if you have any questions or concerns!

Happy Dancing,
Emma Katherine
