

**April 2022**

Hello 109ers,

April Showers bring May flowers!?! Spring has spring here in NH and at the studio we are in full swing working on our recital and our summer schedule!

I am so excited to be back on our home recital stage back at Noble High School. We are working on details for ticket sales and dress rehearsal and recital times. Unfortunately, we are still dealing with a few restrictions that could limit our ticket sales or even the possibility of dancers allowed back in the auditorium during the show. We will be sending a separate all about recital as soon as we have all the answers!

As always, I can't thank you enough for allowing my staff and me the opportunity to be a part of your 109ers journey!

Mandy

Thank you!

Director/Owner

### **Register for our Summer Programs**

---

Summer Registration is finally here! Summer Camp registration is open. Summer class registration will begin on April 3rd. The summer classes do fill quickly and then a wait list will open up.

**Learn more and register today!**

## Studio 109 News Nuggets

### Recital T-Shirts

It's time to order your Recital T-Shirts. This shirt must be ordered to participate in the finale. All dancers at the studio do dance in the finale and will be learning this piece in class. It is a nice way to end a recital after all the hard work they have accomplished all year long. If a shirt is not ordered, they cannot participate so please don't wait. This year, you will order your shirt online through Collins Sports and it will be delivered to the studio unless you choose to pay extra to have it mailed to your home address. A separate email will be sent with more information, including the ordering link.

### Dance Costumes

Many dance costumes have come in for our recital and a few will take a little over a month to still arrive. Please make sure they are hung up and out of the way of little siblings, pets and dancing divas who can't wait to wear them on stage. Our binders (one for Recreational Classes and one for Performance Troupe classes) are going to be available during the nicer days outside to make sure you know how to do their hair and make up, as well as to indicate what tights and shoes are needed to be ordered.

### Dance Scholarship

Studio 109 takes pride in our community, and for many years, we have looked for opportunities to give back. During our 20th Anniversary year (2018), we launched the Studio 109 Scholarship - an initiative designed to give back to our dedicated 109ers. Open to all 109ers...applications are due this month. [Click here to learn more.](#)

### Performance Troupe Competition

Good Luck to the Performance Troupe this weekend at their 1st competition of the season at Dancin' in the Streets competition in Exeter, NH.

### Calendar Highlights

- April 1-3 - Dancin' in the Streets competition (Exeter, NH)
- April 11 - Scholarship Application due
- April 25-29 - Closed for break

# SENIOR SPOTLIGHT

## Lexi Geddis

---

Hello! My name is Lexi. I've been dancing with the studio since I was eight, making this so my 10th year dancing. Currently I am a Spaulding High School senior, but upon graduation I plan on attending a four year university to pursue a career in health sciences. Although I haven't decided what yet, I know I'll end up in a hospital.

I'm gonna miss my family, but I can't wait for what is ahead! #109er
