

# ALL THINGS RECITAL

June 17th

**Dress Rehearsal, too!**

**June 14th & 15th**

**Recital Location:** Noble High School 100 Noble Way, North Berwick, Maine 03906

**Dress Rehearsal:** Noble High School, June 14th (for 1pm recital) & June 15th (for 6pm recital)

Only **one parent/person** will be allowed to accompany their dancer, this is not the time for anyone else; especially younger siblings as we need your full attention. This will need to be strictly enforced. The time for others to watch is during the recital day, not during rehearsal.

**We start promptly at 4pm. Please arrive between 330-345 to get settled and then go to the auditorium. Do NOT arrive before 330pm as school is still open for Noble.**

Dress Rehearsals are meant to rehearse all things; lighting, stage presence, curtains, sound, etc...it takes time and this is why rehearsal is longer than the actual recital. We ask for your understanding and patience. If you have a young 109 dancer please bring something to occupy them while they are waiting and if it is electronics then headphones would be a great option. Don't forget snacks and dinner, but there is no eating in the auditorium and Noble staff will be monitoring the space. Please be considerate.

**Etiquette:** When there is a dance performing on stage do NOT get up until the dance is done. Do NOT walk in during a dance on stage and go sit down, please wait until the dance is done. We don't want anyone to miss their 109er on stage by someone walking in front of them. The doors into the auditorium will be closed until the dance is done.

Your dancer should be with you at all times unless they are backstage at their dedicated time. They should not be walking around.

**Performers:** 109ers should arrive one hour before in their costume with hair and make up done with a cover up over their costume. There will be no one allowed into the auditorium with their costume on unless it is covered until after they have performed. If you need help with hair and make up we will have someone dedicated to this, please bring your supplies.

As always **Shut your phones off...** LIVE IN THE MOMENT. There is **NO** video or pictures allowed during our performances. Keeping your performers safe is our number one priority. **We do NOT give our permission to video any of our numbers.** We have assigned people to record performances and to take pictures. We will approach you if we see you recording and ask you to stop and/or leave.

[ImaJenAtion Photography](#) will be recording our recital and a digital download will be available for purchase.

## **HAIR, MAKEUP AND COVER UPS**

Please review the recital doc on the recital page on our website for specific hair/make-up information about your class.

### **HAIR -**

Most hair for the show is a ponytail or bun depending on what your teacher has decided. However, there are a few classes who have different hair styles –please check the doc. During Picture Week we had recital hair so you should know what style the hair should be already.

### **MAKE-UP -**

Recital makeup is heavier than every day - everyone is expected to wear it so they will have a face on stage under all the lights. Our style make-up is a more natural look...no reds and blues. On the eyelid, dancers should have brown eye shadow with a cream or white highlight under the brow. Blush should be applied heavy enough to accent the cheekbones... use a light pink to beige color to achieve this. Lipstick should be light pink for minis, darker pinks for all others, and red for ages 10 and up and/or if your instructor has informed you to wear red OR if it is listed differently in the book. Mascara should be worn by anyone eight years old and up. Eyeliner is also a great way to open your eyes on stage. Fake eyelashes are also a wonderful way to give you great stage eyes.

### **COVER UPS –**

Please remember all dancers need something to cover up their costumes at dress rehearsal and the day of the show. No one will be allowed in the auditorium with costumes showing. A bathrobe, dad or mom's button up shirts make great options to cover up. Once they have performed they do not need to cover up their costume.

Thank you for being a part of the 109 family! We appreciate you and all your support to your dancer.
